

NOVA RECOVERY CENTERS

Heal. Recover. Revitalize.

(888) 342-1023

Austin, TX; Houston, TX; Wimberley, TX

Nova Recovery Center is a substance abuse treatment center offering a full continuum of care for adults and families struggling with addiction to drugs and alcohol.

Comprehensive Care for Lasting Recovery

Our staff walks with each client through their recovery journey, providing varying levels of support to meet their needs along the way. Our flexible continuum of care merges clinical care and in-depth 12-step work and may be comprised of the following programs.

Individualized Treatment Plans

- **Evidence-based treatment** - The Nova curriculum combines a clinical approach with evidence-based treatment to guide each client through a program rooted in the 12-step principles.
- **Family support** - Nova's three-day intensive Family Program is designed to explore family roles, address conflict, and begin the healing process.
- **Chronic relapse specialization** - Our in-depth approach provides a deeply individualized experience to restore and heal the whole person, even after multiple attempts at sobriety.
